

PHAB's preference is for all documents to be uploaded as a PDF file format (Adobe Portable Document Format). This is not always possible, so PHAB will accept the following formats:

<i>File Type</i>	<i>Extension</i>
Audio	mp3, wav
Video	wmv, mpeg, mpg, mpv, mp4
Portable Document Format	PDF (PDF Portfolio files must not be uploaded)

If you have questions about acceptable file formats, please contact your Accreditation Specialist.
