The Town Manager shall further approve such assignments with said approval not being unreasonably withheld. Notwithstanding any such appointment or designation in accordance with G.L. c. 111, Sec. 30, by the Town Manager, any employee or contractor provided by the City pursuant to this Agreement shall not be deemed an employee or contractor, as the case may be, of the Town for purposes of the indemnification obligations set forth in Section 5 of this Agreement or, to the extent applicable, for purposes of employee compensation and benefits, including insurance, liability insurance and workers' compensation insurance.

4. The Contract Sum. The Town will pay the City for service under this Agreement the sum of \$_____ per month, not to exceed the sum of \$_____ for the fiscal year. This payment shall be for all services rendered and the Division will provide to the Town a monthly statement of services provided in a manner compliant with G.L. c. 40, § 4A.

5. Indemnification. Notwithstanding the final sentence of G.L. c. 40, § 4A, and to the full extent permitted by G.L. c. 258, § 9 and further to the extent allowed by general law, the Town, hereby indemnifies, saves and hold harmless the City and each and all of its officials, officers, employees, agents, servants and representatives (collectively "Indemnitees") from and against any and all asserted claims, suits, or actions of any character brought because of any injury or damage received or sustained by any person, persons or property arising out of, or resulting from, the Town's breach of any provision of this Agreement or any asserted negligent act, error or omission of the Town, or its agents or employees, relating to this Agreement. Such indemnification shall include the payment of all costs of defense (including reasonable attorneys, fees, court costs and related expenses) as and when such costs become due and the amounts of any judgments, awards and/or settlements, provided that the Town shall not be responsible to pay any judgment, award or settlement to the extent it results from the negligence of the Indemnitees. The Town's obligations under this provision shall not terminate with the expiration or termination of this Agreement, but shall survive it.

Notwithstanding the final sentence of G.L. c. 40, § 4A, and to the full extent permitted by G.L. c. 258, § 9 and further to the extent allowed by general law, the City, hereby indemnifies, saves and hold harmless the Town and each and all of its officials, officers, employees, agents, servants and representatives (collectively "Indemnitees") from and against any and all asserted claims, suits, or actions of any character brought because of any injury or damage received or sustained by any person, persons or property arising out of, or resulting from, the City's breach of any provision of this Agreement or any asserted negligent act, error

6. Termination. This Agreement may be terminated by either party for any reason or no reason on thirty (30) days written notice to the other. No such termination shall affect any obligation of indemnification that may have arisen hereunder prior to such termination. The parties shall equitably adjust any payments made or due relating to the unexpired portions to the Term following such termination.

7. Assignment. Neither party shall assign or transfer any of its rights or interests in or to this Agreement, or delegate any of its obligations hereunder, without the prior written consent of the other.

8. Severability. If any provision of this Agreement is held by a court of competent jurisdiction to be invalid, illegal or unenforceable, or if any such term is so held when applied to any particular circumstance, such invalidity, illegality, or unenforceability shall not affect any other provisions of this Agreement, or affect the application of such provision to any other circumstances, and the Agreement shall be construed and enforced as if such invalid, illegal or unenforceable provision were not contained herein.

9. Waiver. The obligations and conditions set forth in this Agreement may be waived only by a writing signed by the party waiving such obligation or condition. Forbearance or indulgence by a party shall not be construed as a waiver, nor limit the remedies that would otherwise be available to that party under this Agreement or applicable law. No waiver of any breach or default shall constitute or be deemed evidence of a waiver of any subsequent breach or default.

10. Amendment. The Agreement may be amended only by a writing signed by both parties duly authorized thereunto.
